

You don't look Aboriginal. Do you have your certificate? Are you legitimate? You don't talk black, you don't walk black, you don't dance down in the dirt black. You're not a real Aboriginal. What percentage are you? You should be grateful. I suppose most of the real Aboriginals were killed off, that must be why you're so white. Wow I would have never guessed. Are you sure? I wouldn't tell people if I were you. Go back to where you came from. You're not a real Australian. You should be ashamed of yourself. Aren't you embarrassed to say you're Aboriginal? Why can't you get over it? You're taking the place of real Aborigines. You're taking opportunities from hard working people. Oh, so you're a free loader? Every Aboriginal person I've ever seen was drunk or homeless. Where are all the Aboriginal people? I can't believe you've never been to Uluru, it's so important for your people. I actually know what you're talking about because I was Aboriginal in a past life. Oh I never would have guessed. You don't look Aboriginal. Are you sure? You don't look like it? Are you sure?
